Why Antalya

Antalya has always been the tourist attraction of Turkey by its natural beauties, history and excellent climate. Which is more about this lovely city is the great location which allows it to become the new capital of trade, bridging the Middle East, Balkans, Europe and Africa.

Antalya International Airport is within the first 30 cities of the world's busiest airports visited by 60 million tourists last year. Within 4 hours of flight, about 1,5 billion people from about 50 countries may arrive to Turkey. That will help ANTALYA CITY EXPO to host the most number of countries to be represented in the congress. Inexpensive flights and accommodation options; Antalya is one of the mostly recognized charter flight destinations in Europe, Quick and easy transfer to the fairground and accommodation centers.
