He will notify exhibitors of the necessity for such alteration immediately and, if possible, offer a comparable space elsewhere in the exhibition. If this entails an alteration in the stand rental, reimbursement or additional payment shall result. Exhibitors are entitled to withdraw their application within one week of receipt of such notification; neither party may claim compensation. Exhibitors must accept that the location of other stands at the beginning of the fair or exhibition may have altered since the time of admission; no claim may be made on account of such alterations. Exchange of the allocated space with that of another exhibitor or transfer to a third party, even only in part, is not allowed without the permission of the organizer.

Responsibility for ensuring that coexhibitors fulfil all their commitments shall rest with the principal exhibitor.

Basically, the claim to stand rental is voided, but the organizer may charge the exhibitor for works carried out following his orders to the extent of the costs incurred. Should the organizer be in a position to hold the event at a later date or another venue, he is likewise required to notify the exhibitor to this effect without delay. The exhibitor is entitled to cancel his participation in the event of a new time or venue within one week of receiving such notification. If the organizer is compelled to curtail or cancel an event for reasons of force majeure after it has commenced, the exhibitor has no claim to any refund or cancellation of the stand rental.

13. Exhibitor Passes

A limited number of exhibitor passes will be issued to exhibitors and their employees for the period of the fair or exhibition. These passes will be made out in the name of the persons concerned. They are not transferable and only valid in conjunction with an identity card. Misuse of the passes will lead to their withdrawal.
